Lovely former model home has only gotten better! Finished lower level with 5th bedroom or recreation room and full bath. Upper level has spacious primary suite with large walk-in closet and deluxe owner bath. Three additional bedrooms and bathroom, plus laundry complete this level. Main level has open floor plan kitchen, dining area, and living room. The kitchen features a large center island with breakfast bar. Lower level walks out to 20x20 patio! Fully fenced rear yard. Great location! Nearby shopping, dining, and good commuter location in desirable Stonecrest.
